Compliance with Supervision Conditions and Prior Interventions:

Mr. Parrish began supervised release on June 5, 2013. He is scheduled to terminate supervision on June 4, 2016. Prior to release from the Bureau of Prisons, Mr. Parrish was housed at the Midway Rehabilitation Center in Knoxville, Tennessee, from October 2012 until December 2012. In the termination report from the facility, it was recommended that he participate in substance abuse treatment following his release from custody. He was later transferred to the Residential Reentry Center in Nashville, Tennessee, where he remained until May 2, 2013. He was removed from the facility, and sent back to prison, following numerous disciplinary issues. One of the incidents occurred on March 2, 2013, when he tested positive for alcohol. Mr. Parrish reported that prior to being into custody on the federal charge, he regularly used marijuana and cocaine. He further indicated that he would often use illegal substances prior to committing a new crime.

Mr. Parrish is currently unemployed and searching for employment.
